

I PETITION THE COMMISSION NOT TO CHANGE PART 15 TO PERMIT BPL TO BE IMPLIMENTED BY THE ELECTRIC COMPANIES. THE TECHNOLOGY IS NOT SUITABLE TO BE ALLOWED ACCESS TO THE HF SPECTRUM. GERMANY, FINLAND, POLAND, THE NETHERLANDS, GREAT BRITIAN AND OTHERS HAVE REMOVED BPL BECAUSE OF THE HARMFUL INTERFERENCE IT CAUSES TO ALL OTHER USERS OF THE HF SPECTRUM. THIS IS A REAL THREAT TO HOME LAND SECURITY BY RENDERING COMMUNICATIONS OF THE U.S. MILITARY, COMMERCIAL AIR LINES, STATE AND LOCAL POLICE, AND THE AMATEUR RADIO SERVICE USELESS. IT WILL JEOPARDIZE THE FUTURE OF THIS COUNTRY TO ALLOW A FEW WHO WANT TO MAKE A PROFIT OFF OF A SERIOUSLY FLAWED SYSTEM DESTROY OTHER USERS OF THE HF SPECTRUM ON WHICH THIS COUNTRY DEPENDS.

SYSTEM RENDER THE OTHER USERS OF THE HF SPECTRUM
